## **WELWYN GARDEN CITY CENTENARY – SPORT FOR ALL**

### **CELEBRATING A CENTURY OF SPORT**

### **SUMMER 2019 NEWSLETTER**

#### **Planning Continues**

So far this year we have been concentrating on meeting as many Clubs as possible, and several for the second or third time, as we continue to encourage and refine the various ideas and plans that come forward. This has now concluded and we know that we have a tremendous range of sports, Clubs, Schools and Youth Groups committed to make 2020 a year to remember.

In summary: 47 Clubs will take part, representing 25 Sports, and 3 Secondary, 16 Primaries and 2 Special Schools will take part as well as Scouts, Cubs, Guides, Brownies and the various Cadet groups. We expect several thousand people to be involved across all sports and for many more to come and see what the town's Sports Clubs have to offer.

A good outcome from our discussions is that several Clubs want to arrange a fixture against their counterparts in Letchworth so we will be able to see just who comes out on top in a Garden City contest.

Many Clubs have been developing special centenary tournaments between themselves which they hope can be repeated in future years, giving us a real legacy from the Centenary.

#### **Funding and Sponsorship**

We have mentioned to you all our wish to provide some tangible reward for all your efforts and to provide something for those taking part to remind them about what took place. With terrific help from our Fundraiser, Catherine Farrell and our Marketing Manager, Kate Adam, we have been very successful and we are confident that we will be able to provide Trophies for winning Clubs and individuals, medals for competitors, plaques for Clubs to display in their Club Houses to show that they took part, and, where possible, t-shirts to proclaim *I Was There*. We are now seeking tenders from companies to provide these and will report more next time.

We have contacted all Clubs to ensure that we know just what is needed.

The companies who have so far agreed to support Sport For All are:

Austins Funeral Directors	Crane and Staples Solicitors	Tesco
Goode Sport	Welwyn Hatfield Council	Waitrose
Greys Hairdressing	GSK	BID
Martin & Co Estate Agents	HRJ Foreman Laws Solicitors	Haart Estate Agents
Burgess & Sons	The Two Willows	John Lewis

Some companies have offered to support particular sports, others are leaving it to us to decide which sports. We will be following up with each Club to agree how to take this forward. Hopefully, this may be the start of a longer term relationship between the sponsors and the Clubs.

### **Our MP Is Involved**

He might not be competing himself, but Grant Shapps is very keen to be involved, provide support where he can and come along to as many events as possible. John Beech and Eric Walsby have met him to outline what is planned and he was very enthusiastic.

### **GLL/Better**

The announcement by GLL that the Sports Hall would close on 31<sup>st</sup> March has caused problems for some Clubs. Thankfully, discussions between the Save Gosling User Group and GLL have resulted in an agreement for the Sports Hall to remain open, albeit on a reduced availability basis. This means that Badminton and Squash will continue and, possibly, some Martial Arts activities. The Gymnastics Club and the Bridge Club have relocated to the other building so the problems have not been as significant for Centenary Sport as we feared, although Phoenix Athletics do not feel able to plan any events at Gosling for the Centenary. Welwyn Wheelers, however, will be going ahead with Omnium events.

There will be several events at Stanborough Park, making full use of their wide range of facilities.

### **Dragonboat Racing**

We are planning to hold a spectacular event on the 5<sup>th</sup> July at Stanborough Park which will be managed by Matt Rayner and his team in the Council. The intention is for teams drawn from local Sports Clubs, businesses and other groups of people in the town to take part, so there should be someone you know for you to come along and support. More on this next time.

## The Petit Tour

It now looks certain that the Petit Tour will go ahead on the 28<sup>th</sup> June with a number of cycle races for all ages and abilities and with plenty of other entertainment for those who come along to watch. Welwyn Wheelers will organise this with support coming from a number of organisations:

Tarmac  
GLL/Better  
Herts County Council  
BID  
The Howard Centre  
GSK  
Crane and Staples

It will be a great occasion.

## Bowls

Six Clubs have got together to organise, for the first time, an inter-club competition. It will be run on a Triples League Basis. Each Club will play each of the other Clubs with one match of 3 mixed triples (with any combination of men/women over the 3 triples playing on each occasion). Matches are to be arranged between the Clubs themselves to be played between the start and end of the outdoor season. Matches will normally be played mid-week (Monday-Friday) mornings or afternoons to suit the two Clubs playing.

All of the Clubs: Welwyn Garden City, Parkside, Welwyn, Shire Park, Hatfield and De Havilland, are keen for people to go and watch and, hopefully, become interested enough to take up the sport. A special Centenary trophy will be presented to the winning Club.

## Swimming

Welwyn Garden City Swimming Club hold an annual Gala using Hitchin Swimming Pool. For the Centenary they will invite a number of other Clubs in Hertfordshire to participate. This is a major event and it will consist of a programme of races for boys and girls from 9 years upwards with a final squadron competition at the end – a relay race for the various Clubs to compete together. It will be held on a Saturday in mid-September 2020.

They are also keen to arrange a Lifesaving event at Stanborough Lakes either in conjunction with the Dragonboat event or the Sailing Club Gala – more information in future Newsletters.

## **Orienteering**

This is a very popular sport, for all ages. Garden City Orienteers are planning several events throughout the year. The key one will be an Urban Orienteering event in the town centre on Sunday 14<sup>th</sup> June – The Centenary Map Challenge. Maps will be provided for competitors and these will feature particular landmarks in the town to enable competitors to navigate their way around the route. Other events during the year will take place in other parts of the town, again enabling those taking part to find their way around via key locations. Orienteering is a growing sport and Garden City Orienteers hope that the various events will introduce the sport to many people and encourage them to take part.
